

## THE CLAIMS

I Claim:

1. A container garden comprising, a container having a bottom and upstanding side wall and arranged to receive a lid fitted thereover; a sack formed from a mesh material to receive a growth medium and selected seed mixture and be closed at its end into a pouch for fitting in said container.
2. The container garden as recited in Claim 1, wherein the sack is formed from a nylon stocking material and is closed at one end.
3. The container garden as recited in Claim 1, wherein the growth medium is a mixture of one part potting soil and three parts vermiculite.
4. The container garden as recited in Claim 1, wherein the selected seeds are wheat, barley, oats, rye and catnip seeds.
5. The container garden as recited in Claim 1, wherein the container and lid are each formed from a plastic material.
